Subject: Revised Pavillion Peer Review schedule (from Friday's discussion)
[Pavillion Integrated Schedule 8-20-12 LED.docx](#)

Happy Monday!

Here is the most recent Pavillion Peer Review Schedule. The changes we discussed Friday are highlighted in yellow. Many of the names we discussed are assigned in blue.

Some reminders:

Ayn and Dave - please remind/contact the PIs about selecting the Critical scientific/technical document for the CD by August 31. ERG will also provide the proper link to the R8 Pavillion website containing all of the documents.

Rebecca - you were assigned to draft the FRN notice for the extension. Please call if you have any questions!

I will work on scheduling an outreach meeting this week with Liz or Dayna, Rebecca, Dave and Alice from Cindy's office. Please let me know of any others who need to be involved. Thanks!
